

WESMAR COMPANY, INC.

Bulk Delivery

Wesmar is pleased to offer customized bulk delivery. Our customized bulk delivery allows you to work with a Wesmar representative to meet your individual needs. We are able to select from multiple tank solutions to adapt to your facility layout and usage requirements. In addition to this, we offer a variety of dispensing options to ensure employee safety and plant efficiency.

Products include

Benefits

- **CUSTOMIZABLE—**
designed to fit individual needs—
Not a "One Size Fits All" solution
- **SEAMLESS INSTALLATION—**
our experienced techs, along with
your Wesmar rep will be there to
help install and set up.
- **REDUCED INVENTORY SHORTAGES—**
with Bulk Delivery, you can clearly
see product levels, helping to
reduce the need to constantly
check container levels.
