

This Simple To Use Kit Is As Easy As:

- 1** Load the dry wiper roll into the re-usable bucket
- 2** Pour your chosen cleaning or sanitizing solution over the wipers (appx 1.5qts)
- 3** Thread the first wiper through the lid and close

You're Ready

- Easily add a wet wipe to your existing cleaning regimen, the kit utilizes whatever cleaning solution you already use.
- Control how saturated the wipes become based on your product and application.
- Reusable bucket has an airtight lid to keep your wipes saturated, avoid contamination and reduce staff exposure to the chemicals.
- Wipers easily absorb the product solution while remaining durable to handle your daily cleaning needs.
- Each coreless roll pulls from the center – perfect for feeding wipers through the sanitizing kit bucket lid.
- Ideal for surface cleaning and sanitizing as well as removing soil, oil and grease.
- Sanitizers and Cleaners recommended for wiping kits include:
 - D2 Alcohol Sanitizer (Alpet D2, Wes-San D2)
 - Sanite 75 - quat sanitizer (use solution)
 - Sanite 128F quat sanitizer/cleaner (use solution)
 - Lift Off SG - cleaner (use solution)
 - IPA 70% - cleaner

Not recommended for bleach based solutions
